WORK EXPERIENCE

Desktop Support Technician CGI Inc.

08/2020 - 04/2021

Montreal, QC

Achievements/Tasks

- Implementation of Windows 10 for the Banque Laurentienne du Canada across Canada, i.e., approximately 5000 users and 7.000 workstations including, among others, VDI workstations (persistent and non- persistent), laptops, desktops, SCCM servers, VRSA, and Disaster Recovery (DR) environments

Geek Squad Agent Best Buy Canada

09/2017 - 02/2020

Vaudreuil-Dorion, QC

Achievements/Tasks

- As a Geek Squad employee, I provided exceptional technical support and assistance to customers, resolving their hardware and software issues efficiently.
- I effectively diagnosed and repaired computer systems, installed software, and educated customers on best practices for technology usage, ensuring their satisfaction and building strong customer relationships.

Web Developer Autoelite Inc

03/2021 - Present

Montreal, Quebec

Achievements/Tasks

- I created an online platform for them, to help facilitate the appointment demand during their high seasons of work.
- I helped create a new web-app invoicing system with an entirely new database.
